

**for care experienced students
by care experienced students**

We are supporting care experienced young people to stay engaged in their education and build aspiration for TAFE, uni and employment!

Eligibility

- ↑ Aged 15-18-years-old
- ↑ Have an out-of-home care experience
- ↑ Be ready to Level Up their educational game!

How does it work?

1.

A participating young person is paired with a care experienced mentor whose skills are matched to their needs and interests

2.

The pair will meet fortnightly via Teams or Zoom - sessions are facilitated by a member of our team for extra support.

3.

We will host events along the way - university tours, social catch-ups and opportunities for mentoring pairs to meet face-to-face

Together we will:

- ↑ Improve academic, social and general wellbeing
- ↑ Build aspiration for future study or employment
- ↑ Connect mentees to mentors with similar experiences
